Upon signing below, I certify and attest to the following:

1. The information provided herein is accurate to the best of my knowledge at the time of submission;
2. Henry Company can and should reasonably rely upon the information provided in issuing a warranty;
3. I understand that providing inaccurate or incomplete information, even if unintentional, could significantly delay the processing of the requested warranty, and possibly prevent the warranty from being issued at all;
4. I understand that, for warranties for which fees are charged, I am subject to a \$750 minimum warranty fee and that I am bound by the terms and conditions of the Henry Gold Seal Authorized Contractor Agreement;
5. I have complied with or will comply by the project completion date all relevant Henry written specifications and recommended installation requirements, as updated from time to time without notice on www.henry.com;
6. I understand that it is my responsibility to obtain specification deviation approval prior to job start; and
7. I have complied with or will comply in installing Henry's products with good workmanship.
